

American Slaves, Inc. Petition

P. O. Box 775, Louisville, KY 40201-0755

"We, the undersigned, are petitioning America to assist Descendants of American Slaves in their quest to enter mainstream America. We are beseeching the government and the people of America to acknowledge the harm caused by three centuries of slavery in the land that is now America. The damage slavery did to this group of people has never been addressed. We therefore request that Descendants of American Slaves' core identity be exposed, and we pray that the slave culture be given full access to the many benefits our great country has to offer. As a start, this includes closing racial disparity gaps, which include gaps in access to health care, economic opportunities, a fair judicial system and effective education."
